**RECEIVED**

*By Kelly A McElreath at 6:30 pm, Sep 22, 2015*

## Agenda:

- Scott and Kathy Coldwell – 101 Crocket Road. As you know per the last soil testing, the Board denied adding a line to the existing septic system to accommodate the room over the garage. The engineers are now proposing a new system that should meet all requirements. The engineer will be present (Mike Dean who has longevity with the company) as well as our agent, Paul McKeon. I explained to the coldwells that the repair was denied but they want to present a new plan. They are aware of the Boards misgivings on the property.
  - Review inspection of 14 N. Main Street with all Board members.
  - Extension request for Sturdley Road – requesting an inspection of his septic design, due to expire.
  - Septic repair design is being submitted for review for 19 Wildwood Avenue.
-
