Gentlemen, the purpose for this letter is to formally ask permission for the Rose Garden Restaurant to hold a Haunted Trail event for 3 days, Oct 22nd and 23rd and Oct 24th 2016 at Heritage Park.

Your support & the terrific turnout last year prompts us to hold this event for 3 consecutive days. The trail will begin at the back of the Rose Garden restaurant parking lot and we also propose to extend the trail towards but not over the bridge leading up to the cave. This extension will be for the older generation children and we will maintain the cut off as per last year for the youngsters.

This event is to generate funding 100% to be given to the Upton Bloomer Girls and our goal this year is \$2,500, a tidy sum to help those in need in our town.

This letter is also intended for the Upton Historical Commission to weigh in on our request plus Chief Bradley to insure the safety of our attending guests. I have contacted and will follow up with the fire & police chief, and our DPW department. This year as we did last year we will also have the guests sign a waiver and release of liability.

Parking would be at the park lot next to the VFW.

Hours would be from 6 pm to 8 pm and admission would be \$5 per person, \$15 per family.

I, Mike Campbell, owner of the Rose Garden is the primary promoter of this event and therefore request authorization to execute accordingly.

Yours very truly,

Mike Campbell
