## COUNCIL ON AGING

September 6, 2016

To: Blythe Robinson, Town Manager  
Board of Selectmen

From: Janice Nowicki, Council on Aging Director

Re: Donation from anonymous donor

The Council on Aging received a very generous donation of \$300 from an Upton resident who would prefer to make their donation anonymous.

I am respectfully asking that we be allowed to accept this donation. Originally we were given the donation for a bench for Coach Road. We actually received a donation of a bench. I contacted the donor and she and her husband would like us to use the money for whatever may be needed for the Center.

Thank you.
