Subject: Road Race Application- Details

Hi! I'm Samantha Williams and I'm emailing you to give you the details on my road race application that I turned into you yesterday. Basically it would be a ugly sweater race, beginning and ending at Nipmuc High School. It's for our Marketing class, and a project we call DECA. DECA is a business related project where students compete with a project of their choice. Me and Jessica chose Drug & Alcohol addiction and that is what the 5k is for, the money we raise will go directly to a rehab institute in Ashby, Massachusetts to help people who can't afford it, get the help they need. If you have any more questions please ask! Thank you (:
