Re: November 1st Per Diem Paramedic Appointments

Date: October 26, 2016

We have interviewed several candidates for open Per Diem Paramedic positions. Included in the interviews were EMS Captain Brian Kemp, EMS Lt and Paramedic Kerry Stoopack, ALS Coordinator and Paramedic Robert Johnson and myself. As a result of the interviews I am pleased to be able to recommend four candidates to you for appointment. As you are aware our ALS system requires us to hire experienced paramedics in order to be allowed to work by our EMS Physician Dr. Greg Steinberg. All of these candidates meet this requirement. They are all EMS professionals who currently work as paramedics. These paramedics will be utilized primarily to fill our overnight per diem paramedic shifts. A copy of their employment applications is included. The candidates are as follows:

Richard Bennett of Milford Massachusetts

Nicholas V. Roy of Worcester Massachusetts

Robert St Martin of Mendon Massachusetts

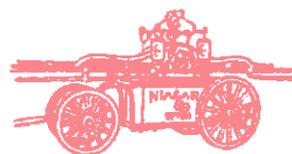

John J. Grudoff of Worcester Massachusetts

Please do not hesitate to contact me with any questions.

Re: November 1st Firefighter / EMT Appointment

Date: October 26, 2016

We have interviewed several candidates for open part-time Firefighter / EMT positions. The Fire – EMS Advisory Committee was included in the interview process. As a result of the interviews I am pleased to be able to recommend one candidate to you for appointment. Kevin Rook who lives in Upton is an experienced EMT who currently works for an EMS Company. He is excited about joining the Department and also being cross trained as a firefighter. Kevin has agreed to serve as a member of an on-call company during overnight hours. Please do not hesitate to contact me with any questions.
