

TOWN OF UPTON, MASSACHUSETTS
DEPARTMENT OF PUBLIC WORKS

May 19, 2016

Memo To: Blythe C. Robinson, Town Manager

Subject: Summer Help Recommendation

Blythe,

John Johnson and I conducted seven interviews earlier today for hiring this year's summer help for the Department of Public Works. All candidates performed well during the interview process; the deciding factor was their experience with landscaping equipment. Of the seven candidates, I recommend that two candidates be hired by the Town with one return hire (Samuel Pirozzi) being brought back from last summer.

The two recommended candidates for this summer are Patrick Kellicker of Upton and Christopher Carron of Hopedale. The two candidates' possess a valid Massachusetts Class D driver's license. John and I are both satisfied with the selected candidates and agree that both are qualified to work as summer help for Public Works this summer. I also recommend that their start date be the following day of approval from the Board of Selectmen.

Please call me if you have any question regarding the interviews or the process by which they were conducted.

Sincerely,

Vincent Roy
Director of Public Works
