Cemetery Commission Minutes for 02/19/15

Called to order at 06:35 with all members present.

On motion to purchase a new metal detector for locating corner markers with an estimated value of about \$800.00 the motion was passed unanimously.

Glenn Fowler has a conflict and will be leaving momentarily.

Kelly McElreath was unable to attend and will reschedule.

Agenda from last meeting was reviewed and accepted by the members present.

Recent internments include: William Evens and Michael Fedorcck

Question has been made regarding the configuration of lot 844. Due to deep snow on the ground, research will be delayed until spring.

Hazel Path is to be plowed in the AM to investigate lot availability.

A request from David Schaefermeyer for labor intensive research has been received. David was advised historical publication shave been made by John Robertson and Barbara Burke that may be useful to his need.

Motion to adjourn passed at 07:00 PM

Respectfully submitted by

Commissioner Joseph McMahon
