***Cemetery Commission Minutes
For
12/18/15***

- Call to order at 06:30Pm with
 - Chair Joseph McMahan
 - Member Robert Richard
 - Member Glenn Fowler, secretaryPresent.
 - Agenda was presented for review and approved.
 - On review of minutes for 10/16/15 corrections were noted as:
 - Correct spelling of secretary
 - Correct proposed fee schedule
 - Add plan for Urns and containers of ashes
 - Replace “Town Meeting” with “Public Hearing”
 - Correct spelling of Cecile
 - Once again the procedure for selling lots became a sticking point with:
 - Acting Chair insisting rules established by the Open Meeting Law and M.G.L. Chapter 114 are inconvenient, unnecessary and will not be followed, and
 - Note, On review of minutes, Acting Chair declared the above statement to be untrue and a lie.
 - Meanwhile, Secretary refused to put any intention to violate state laws into writing over commissioner’s signatures.
 - Secretary has turned the problem of providing a document outlining steps for this procedure and approved by town counsel to the chair.
 - Chair provided report on the O’Connell lot confirming a proper deed, headstone, service marker and location of prior and current urns are now recorded.
 - Chair confirmed lot requested by Loraine Thibeault for Cecile Rogers is owned by Arthur Carpenter, so research may now proceed as there are several options in the record.
 - Motion to adjourn at 07:06 PM
-
- Respectfully

Glenn Fowler, Secretary
