

The meeting was called to order at 5:32 p.m., by Chairman, Richard Robinson. Also in attendance were; Member, Al Holman; Member, Richard Desjardins; and Asst. Public Health Supervisor, Diane Tiernan.

Blythe Robinson was also in attendance.

The agenda was reviewed and approved.

**Motion one** – Richard D. made a motion to accept the meeting minutes dated 4/13/16. Al seconded the motion and Richard R. made the motion unanimous. Minutes were approved.

Vouchers were reviewed and signed.

5:36 p.m. Andy Baum, Engineer from Summit Engineering arrived. Andy attended tonight to review a septic design for Dean Palli, Shore Drive, lots 45 and 46. Diane stated that the BOH agent, Lenny Izzo reviewed the plan and stated the plan requires numerous local variances as well as a state variance. He did not recommend approving the design. The proposed system will only be 38' to wetlands. Andy stated that he understands the Boards position, but there is only one little area that can be used for the system and well location. Board stated there is not enough property for the lot to meet the required setbacks and therefore denied the septic permit. The Board stated that the Conservation Commission would never allow a system this close to wetlands either. The owner should look at selling the property to the neighboring abutters as an option.

**Motion two** – Richard D. made a motion to deny the septic permit for Dean Palli, Shore Drive. Al seconded the motion and Richard R. made the motion unanimous. Permit was denied.

5:48 p.m., Andy thanked the Board and left.

A well permit application was reviewed for Elizabeth Benny – lot 1 prospect Street.

**Motion three** – Richard D. made a motion to approve of the well permit for Elizabeth Benny, Prospect Street and Al seconded the motion. Richard R. made the motion unanimous. Permit was approved.

An irrigation well permit application for LLD Land Development was reviewed. Al had some concerns that the irrigation well may affect the potable water well currently on the property. Richard D. and Richard R. agreed. Diane was asked to contact the owner for more information. Permit was not approved at this time.

The Hazardous Waste day scheduled for June 4<sup>th</sup> was discussed. Diane stated that she is concerned there will be large crowds as in previous events, and wanted to make some changes to the event. Board approved of the changes and agreed to accept cash only for the event.

Diane stated that the town of Bellingham has accepted the agreement to share a town nurse and want to move forward. Board agreed it would be a positive move for everyone.

Diane stated that Tara Mezei of 92 Hopkinton Road contacted her wanting to know if she can go into the house to see what needs to be done. Diane explained to Tara that she will need to hire a general contractor first and we would open the house for him to get an estimate, but she did not think Tara would be able to enter the home again on her own. Board agreed the house would not be opened until an approved plan of action has been established.

Diane stated that she received an email from the fire chief regarding 81 Westboro Road, which has large amounts of trash outside the home. Board agreed the property needs to abide by the nuisance law. The house will be added to the list of further action required.

Diane gave the Board a brief overview of the Opioid Task Force meeting she recently attended.

Richard R. stated he was going to be attending the Conservation Commission meeting tonight to discuss the mosquito control article with them. Al and Richard D. stated they would attend as well.

**Motion four** - Richard D. made a motion to adjourn and Al Seconded the motion. Richard R. made the motion unanimous.

6:36 meeting was adjourned.

Respectfully Submitted,

Diane Tiernan, Asst. Public Health Supervisor
