

Upton's Curbside Pickup Program

Residential Trash service
Provided by
“EL Harvey ”
Of Westborough, MA

GUIDELINES FOR TRASH PICKUP

TRASH BAGS—all trash collected must be contained in 30-gallon “Upton” trash bags. These bags are sold for \$17.00 for a roll of 10, at local retail stores (see list below) & the Board of Health office. Single bags may be purchased for \$1.70 each at the BOH office only.

TRASH CARTS—The town of Upton will supply 96, 64, or a 32 -gallon trash carts w/wheels for easy movement. Households are required to use this cart in order to participate in the curbside program. Trash carts must be brought to the curb no earlier than the night before pickup, and **no later than 7:00 a.m.** on the day of your pickup. Place carts away from telephone poles and mailboxes & as close to the curb as possible. Barrels must be taken away from the curb no later than the night after pickup. Replacement containers are available through the BOH for \$45.00

LIMIT-The contractor will collect up to 5 Upton trash bags per household each week. Upton trash bags that do not fit in the trash cart may be placed beside the cart. Loose trash and/or trash not contained in Upton trash bags will **not** be collected.

SCHEDULE- Your pickup day is listed on the list below. Trash and recycling will be collected weekly in front of each house using the appropriate trash cart and recycling bins. If your trash and recycling are not at the curb by 7:00 a.m., we do not guarantee a pickup. Please contact the BOH if you are not sure of your streets schedule.

NEW SIGNUPS – All new customers must first register with the Upton Board of Health. Once you are signed up, we will deliver to you a barrel for your trash.

GUIDELINES FOR RECYCLING

- **Metals** - aluminum/tin/steel cans and lids, and aluminum foil. For large metal items you must obtain a special sticker from the BOH.
- **Glass** - Colored & clear glass bottles & jars.
- **Plastics** - all plastics # 1 – 7 such as milk & water jugs, detergent bottles, milk cartons, juice boxes. Styrofoam is **not** acceptable.
- **Mixed Paper/Cardboard** - newspaper, catalogs, magazines, corrugated cardboard, cereal boxes, white & colored paper, notebooks, posters, phone books, envelopes, and all other clean paper and cardboard products. Cardboard must be broken down into flattened sheets no larger than 2' x 3'. Metal binder clips must be removed.

THE ABOVE ITEMS CAN BE COMINGLED TOGETHER IN ONE BIN.

We can no longer provide residents with a recycling bin. Residents may use their own container for recycling, providing it is clearly marked “recycling”.

All items must be rinsed of residue.

MERCURY ITEMS - Fluorescent bulbs, some switches, thermostats and thermometers, can be brought to the Board of Health office for disposal.

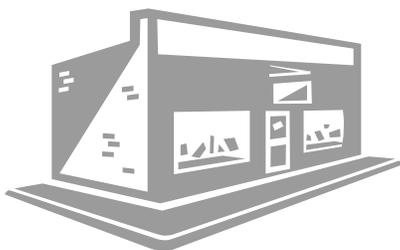

Holidays—The only holidays that may affect your collection schedule are New Year’s Day, 4th of July, Thanksgiving, and Christmas. If one of these holidays falls on a Tuesday through Thursday, that day’s collection and all other collections that week will be delayed by one day. **Monday holidays will not affect collection since there is no scheduled pickup on Mondays.**

State Law—the state has banned recyclables from the waste stream. By putting them in with your trash, you are actually violating this law. **The contractor will not pick up trash bags containing recyclable items.** The homeowner will then be required to remove the recyclable items from the trash for the next scheduled pickup.

The more you recycle the less waste you generate - minimizing trash bag fees for yourself and incineration fees for Upton. Please recycle; it’s the right thing to do!

Upton trash bags are available at:

- Country Club Sooper
- Honey Farms
- Mobic/Gasco
- Liquors Plus
- Board of Health office
- A Little Common Sense

A hazardous waste day will be held once a year. Notices will be posted in advance to inform you of the date and time.

Leaves, grass clippings and brush may be brought to High Acre Farms located at 110 Christian Hill Road for a fee. 478-2887
