

UPTON'S TOWN NURSE

The more the community knows, the more the immunity grows!

Patricia (trish) Pighetti-Parent

Let us introduce you to our public health nurse, Trish Parent. The town nurse is available to all Upton residents at no charge. Trish has been a registered nurse for over 30 years and has been our town nurse for over 20 of those. She graduated from the University of New Hampshire with a BSN. Services include: blood pressure checks, vaccinations, medication administration and review, well being checks, new baby visits, dressing changes, and many other options. Trish is active in Emergency Preparedness locally and in our region. She also reviews and follows-up on infectious diseases affecting Upton. Simply contact Trish at the Board of Health office during her office hours or stop in and see her with any questions or concerns you may have. We are located in the Knowlton Risteen Building (library) on the Grove Street side.
