The month of November is known as **Alzheimer's Awareness Month**. President Ronald Reagan made that designation in 1983. At that time there were less than two million people with the disease. Through the years that number has grown to more than five million.

Alzheimer's disease is a type of dementia that leads to memory, thinking, and behavior problems. It is the most common form of dementia, accounting for 60 to 80 percent of all cases. It is also the sixth leading cause of death in the United States. Although those ages 65 and older are more likely to develop Alzheimer's disease, there are thousands of others under the age of 65 who have early-onset Alzheimer's.

There are currently no drugs or treatments to cure Alzheimer's disease, but there are treatments that can slow down its progression. Researchers are constantly looking for new treatments as they search for a cure.

The good news is that there are many resources available to help those dealing with Alzheimer's, and for their loved ones. Please contact the Upton Center for resource and referral information to learn more. And save the date now for an important program coming to the Center on **January 28th** entitled "**Legal & Financial Planning for Alzheimer's Disease**" - an education program by the Alzheimer's Association. A breakfast will be held at 9:15 (\$3 fee), followed by the talk at 10:00. If you or someone you know is affected by Alzheimer's disease or dementia, the time for legal and financial planning is now. Come learn more about what issues to consider and how to put plans in place. Please RSVP by Jan. 22 for this important program.

Happy Thanksgiving to all!

Janice

P.S.—Calling all Bridge players! We have a senior interested in finding some people to play with, possibly on Monday mornings. Call us if interested!

*In this season of
Thanksgiving, we are
particularly grateful
for the following:*

- We are thankful to **Sergeant Lisa (Vass) Barry** for her 34 years of dedicated service to the town of Upton. She has been a great friend to the seniors in Upton throughout the years. Lisa's last day was October 18. We wish her well in her retirement!
- We appreciate the generous donations that have been made to the Center in memory of **Ann Hill**. Ann was an active participant here at the Center for many years, and is greatly missed.
- Thank you to **Fivefork Farms of Upton** for their generous donation of beautiful flowers for our seniors. The bouquets were delivered at a recent Bingo game at the Center and they truly brightened our seniors' days!
- We are so appreciative of the fantastic new speaker that **Beverly Randazzo** donated to the Center. It's great for music and for our Bingo callers!
- Thank you to the staff of **Cornerstone of Milford** for providing a fantastic "Brain Healthy Lunch" to our seniors. Their interactive presentation and cooking demo was both informative and delicious!
- Thanks to all those who stopped by our COA table on Upton Heritage Day. And congratulations to our raffle basket winners: **Jennifer Driscoll, Donna Dube, and Julie McCoskery.**

We are thankful for all of you!
