Spring is finally in the air—which means it's time for TriValley's annual **March for Meals** fundraiser to benefit the Meals on Wheels program which delivers nutritious meals, visits and safety checks to seniors all year long. Here are a few ways you can help:

- Attend our bake sale to benefit the cause on Thursday, March 19 from 11:00—1:00. Let us know if you'd like to contribute a baked good as well.
- Head over to the Milford Senior Center for a delicious Italian meal on Thursday, March 26 at 4:30 to support the cause. Tickets are \$10 and we'll provide free rides on our van. See details inside this newsletter.
- Visit the Center to view the baskets which will be raffled off in support of Meals on Wheels. Purchase tickets for \$1 each or \$5 for 6 tickets. Winners will be drawn on March 26.

March is also **National Professional Social Work Month** which makes it a great time to stop and appreciate the contributions of our nation's Social Workers. Here at the Center, our Social Services Coordinator, Jessica Mauro, is available to help residents with fuel assistance, SNAP (food stamps), SHINE information, and more. Please call her at 508-529-4558 with any questions.

We know there are a lot of animal lovers out there, so we are happy to announce a **collection for Central Massachusetts Disaster Animal Response Team (CMDART)** in March. CMDART is a non-profit organization that provides training, support, supplies and personnel to help plan, prepare and respond to aid animals affected by disasters such as fires, ice storms and hurricanes. They are in need of gift cards to Ocean State Job Lots, Big Lots or Amazon to help purchase pet supplies when and where they are needed along with gas cards for their travel. They are also seeking volunteers to help at their public education events. Please contact the Center for a list of additional items which can be donated for use in their emergency "Pet Go Kits". If you can help, please bring your donations to the Center now through April 23 and watch our April newsletter for more details on a CMDART training session to be held at the Center April 24 at 1:30. The training will show you how to prepare the whole family so that no one gets left behind in the event of a disaster.

And finally—THANK YOU to the kids from the local 4H Club and from Saint Gabriel's Young Neighbors in Action group for coming to visit our seniors in February. We always enjoy when young members of our community come to share their time and talents with us. What fun!

Please read on for more details on all we have in store for you for March.
