

DRIVEWAY OPENING REQUIREMENTS

The driveway is to be asphalt coated to a minimum thickness of three (3) inches.

This must be done before the occupancy will be signed.

To ensure that these minimum requirements have been met, you will be required to post a three-thousand dollar **(\$3,000.00) bond**. This bond must be in the form of a **certified or bank check** made out to “Town of Upton or **[name of applicant]**”. The check should be filled out this way so that when the work is completed to the Town’s satisfaction, it can be returned to the applicant and cashed.

Please note that personal checks will NOT be accepted.
