

UPTON TOWN CLEAN UP

Volunteers:

All volunteers must sign up for the event to help our organizers coordinate trash bag pick-ups & sign the safety waiver.

Where do I place the bags?

When you've finished collecting trash, please leave the purple bags in a visible spot on the side of the road you selected when filling out the volunteer form. The Upton DPW will collect all bags and properly dispose of the litter throughout the program.

SAFETY TIPS:

- Clean-up in the direction of oncoming traffic and closely supervise children
- Wear bright colored clothing and gloves
- Do not pick up trash in poison ivy unless you have a grabbing tool.
- If you find any unusual items or if they looks dangerous in any way, leave it behind and contact the Upton Police Department
- If you find a needle, syringe, or any drug paraphernalia, do not attempt to collect or touch it and contact the Upton Police Department
- Perform regular tick checks

Special thanks to the Upton DPW, Upton Police Department, Town Manager's Office, Town Library, Town Clerk's Office and the Upton Conservation Commission for their support.
