14
15 Warren Group sales report was reviewed

16
17 Chapter land applications for 32 Walnut St, Gallant was approved.

18
19 Reviewed the solar info from the state. The Board discussed contacting Blackstone
20 Valley Tech to find out who owns the solar panels. If the panels are leased they can be
21 taxed. If the school owns them they cannot be taxed. Also, Assessor McElreath will
22 contact Jay Bayer to see who owns the panels that were just put up at Miscoe Middle
23 school and the Coordinator will contact the Principal Assessor in Mendon and see what
24 information they have found regarding ownership of the panels. Grafton will be
25 contacted to see how they are taxing their solar farm.

26
27 Reviewed information from the Treasurer/ Collectors office regarding deferral of taxes
28 for hardship. The Board will research this further to see if it can be done for people
29 under 65 years old.

30
31 The Board discussed the wet lands discount with regards to making a policy for them
32 once they have been established with guidelines set up by conservation and Assessors.

33
34 Each parcel will be reviewed for the following things:

- 35 • Is there diminished value or a detriment to the property if the owner is able to
36 build a home on the property?
- 37 • Research will be done to see if the land was valued within a percentage of what
38 the purchased was.
- 39 • How much of the land is considered wet?
- 40 • A percent amount will be determined depending on how it affects the land.

41

42 A motion was made by Assessor McElreath for a 5% discount for wet land on for 140
43 North St. Second: Chairman Earl unanimous vote by the board with Assessor Taylor.
44 Steps taken, the purchase price was compared to the value after all conservation
45 guidelines were met. It was found that more than ½ the property was found to be wet.

46
