Upton Neighbor to Neighbor Assistance Program (N2N)

UPTON, MA: If you need help during these difficult times please contact the Town's Neighbor to Neighbor (N2N) assistance program which has been developed to support town residents who are in need due to the negative social and economic effects caused by COVID-19. Neighbor to Neighbor is a coordinated effort of local community organizations such as the Bloomer Girls, Upton Men's Club, United Parish and St. Gabriel Archangel Parish working in partnership with the Town of Upton to support families and individuals impacted by the COVID-19 emergency.

Neighbor to Neighbor is a confidential program administered by the Upton Senior Center staff that provides resources and necessary funds over a wide range of needs including wellness calls, grocery and prescription delivery, and monetary assistance with housing, food, utilities, and medical expenses for individuals and their families who live in Upton. Residents will speak with trained resource specialists who can also connect them with a wide array of social services, such as emotional health or medical referrals, as well as provide information about other programs at the local, state, or federal level.

To date, N2N has helped over a dozen families! Residents can find more information on the Town website at www.uptonma.gov or contact Janice Nowicki, Director of Social Services at (508) 529-4558 or email at N2N@uptonma.gov
